

# Build and Grow

## ACHMC 2025 Annual Fund

### ***ALABAMA COALITION FOR HEALTHY MOTHERS AND CHILDREN***

**For 7 years,** ACHMC has connected Alabama's under-resourced families to vital healthcare, food, housing, and educational resources while providing direct grants to address child hunger and poverty across the state's 67 counties.

**But the work is not done!** Despite seven years of progress, Alabama's most vulnerable families still face overwhelming challenges: children sleeping on floors, weekend food insecurity affecting thousands of students, and limited access to healthcare in rural communities. The gap between available resources and those who need them remains wide, demanding continued commitment and expanded capacity to ensure every child has the foundation for a healthy, hopeful future."

**We believe** that when our work succeeds, Alabama families thrive with dignity—children sleep in their own beds and arrive at school ready to learn, mothers know exactly where to find help through their phones, and rural communities have sustainable food sources through local gardens and accessible nutrition programs. That's why we're working to reach our 2025 Annual Fund goal so we are in the financial position to launch Project Daily Bread in 2026, a three-year initiative that will bring comprehensive food security solutions to Perry, Sumter, and Hale counties through community gardens, nutritional education, and SNAP enrollment support.

**You can join** this work by making a tax-deductible one-time donation to the 2025 Annual Fund or by becoming an ACHMC Ambassador with monthly giving that provides sustained support. Email [dale.tadlock@achmc.com](mailto:dale.tadlock@achmc.com) or go directly to [givebutter.com/af2025](https://givebutter.com/af2025) to make your donation. Corporate sponsorships are also available.

You can also help by sharing the HELP Alabama app with families in need, volunteering with partner organizations in your community, and advocating for policies that support maternal and child health. Together, we're not just providing temporary relief—we're building sustainable systems that will serve Alabama's most vulnerable families for generations to come.

# 2025 By The Numbers (so far)

1

## VAN PURCHASED

Passenger van purchased on behalf of Sowing Seeds of Hope to provide rides for Perry County residents to get groceries or to make medical appointments.

32

## VOLUNTEERS

A group of Samford University students and three local volunteers worked to update and add listings in ACHMC's HELP Alabama App.

40

40 medical professionals, faith leaders, nonprofit directors, and state politicians gathered for Alabama Hopes to identify steps to take together toward healthcare access for all in Alabama, sponsored by ACHMC, Together for Hope, and Cancer Action Network.

150

## FAMILIES FED

150 families were fed through a mobile food pantry in Sumter County, paid for by ACHMC donors.

300

## FAMILIES RECEIVING THANKSGIVING MEALS

300 families in Perry County will receive Thanksgiving Meal Baskets in partnership with Sowing Seeds of Hope, ACHMC, and churches across Alabama.

## 300 SCHOOL UNIFORMS

A \$5,000 grant was given to the Social and Spiritual Task Force of Perry County to support ongoing food pantry distribution at Sowing Seeds of Hope and a Back-to-School Event that provided school uniforms and school supplies to children across Perry County.

1,100

The HELP Alabama App averaged 1,100 hits each month so far in 2025.

1,242

## WEEKEND BACKPACK MEALS

1,242 weekend backpack meals were paid for to feed children in Walker and Sumter Counties through ACHMC's local partners.

\$5,450

## CHRISTMAS GIFTS

Donors will supply \$5,000 in Christmas gifts for children in several counties across the Black Belt of Alabama and Dekalb County through ACHMC partnerships.

# ALABAMA COALITION

FOR HEALTHY MOTHERS & CHILDREN

**ACHMC IS  
PREPARING TO  
LAUNCH**

**COMING SOON**

**2026**

## PROJECT DAILY BREAD

### Community and School Gardens

Working with established partners to reestablish previously existing and establish new school and community gardens across the Black Belt.

### Food Storage and Distribution

Purchase and supply refrigeration units to enhance the distribution of produce and additional food resources at garden sites.

### Nutrition Education

Partner with state and local agencies and organizations to bring engaging nutrition education to residents of the Black Belt.

### SNAP Enrollment Support

Through existing partnerships, provide widespread campaigns to support residents in applying for SNAP benefits that they are eligible to receive.

A three-year, \$400,000 county-by-county strategy to address food insecurity, enhance nutritional literacy, and increase SNAP enrollment in Alabama's Black Belt region. Initial fundraising and rollout to begin in early 2026.
